Travion Chamberlain	IN General: I am not seeing LA County doing prevention in the juvenile halls regarding trafficking, violence prevention and victim awareness. I ended in up CYA for murder as juvenile and some of the resources and healing i received there I think should be implemented in the juvenile halls.ASAP

Subject: Credible messengers as an evidence-based program?

Hi,

Fascinating discussion today. Would the POC support an evaluation in LA County Probation of the credible messengers program? Until we conduct a scientific evaluation we probably cannot really claim it has a positive effect on youth.
